POWERPOINT PRESENTATIONS

**From Whence We Came
Johnny Weismuller**

The following presentation used video clips in PowerPoint (PPT). This feature "hangs" systems without the proper MPG-2 video drivers. For this reason, the following link to the PowerPoint had the video clips removed to separate links shown below.

- [Script for this Presentation with cues for each slide \(PDF\)](#)
- [Johnny Weissmuller, From Whence We Came \(PPT-without video\)](#)

(If the videos below don't work with a simple "click," try the following: RIGHT click on the name below, click "Save Target" to my DeskTop, close your browser (Internet Explorer), RIGHT click the icon on the DeskTop then select "Open With" - Windows Media Player)
